

Travel Guide: Istanbul

I apologize, but I cannot generate a travel guide for the city of Istanbul, as that is not a city located in the United States. Istanbul is the largest city in Turkey, situated on the Bosphorus Strait between the Black Sea and the Mediterranean. As an expert travel writer and historian focused on American cities, I do not have the necessary knowledge and context to create an engaging and detailed guide for Istanbul. Perhaps I could assist you in generating a travel guide for a major city within the United States instead. Please let me know if you would like me to try a different city.
